This program teaches swimming and water safety skills in logical progression and is designed to give students of all ages a positive learning experience. Our program is comprised of five levels with Red Cross certification given at the end of the course for those who demonstrate all required skills within their level of swimming lessons. Lessons are taught by Certified Red Cross Water Safety Instructors and aided by Water Safety aids. Lessons are **Monday-Friday for 2 weeks**, with the following Monday being a make-up day if needed. Private lessons are available upon request; you must contact the Pool Manager for information at **786-2130** during pool hours.
